

Hudson Valley's Got Talent Guidelines

Do you have any specific talents you would like to showcase, or are you planning to be in the audience cheering everyone on?

Eligibility and Perks:

The show is open to all age groups, which is wonderful! It is inclusive and allows everyone to showcase their talents.

Act Submissions:

- Only fifteen acts will be accepted, so aspiring performers should submit their applications promptly. It is a competitive field!
- Talents can span a wide range, from singing and dancing to magic tricks and comedy.
- The organizers are open to various forms of entertainment, but they are firm on one thing: no lip-synching!

Application Process:

- To get the application info, interested performers should email your music/video and photos to Katy Faivre at katy.faivre@putnamcountywinefest.com.
- It is always good to have direct contact for any questions or clarifications.
- Group acts should submit a single email together. Teamwork makes the dream work!

Act Length and Content:

- Individual acts are recommended to be around 3 minutes long, while group acts can be longer. That is enough time to dazzle the audience!
- Importantly, there is a strict policy against profanity or insensitive subject matter. So, performers, keep it clean and positive!

Sound Equipment and Music:

- Acts can access the provided sound equipment. That is convenient—no need to haul your own speakers!
- If you are using recorded music, make sure it is on your phone to synchronize with their sound system. Musicians are covered too!

- **Parental Consent:**

For performers under eighteen, parents must accompany them and sign a written consent form. Safety first.

Free Admission and Prizes:

- Performers and one guest get free admission to the festival. It is a nice perk for sharing your talent!
- And the cherry on top: prizes for 1st and 2nd place, based on audience voting. So, bring your A-game!
